Enclosure No.

Deputy Commissioner's No. 13 of the 28th Instant on the Police Superintendent's quarters.

Has the honour to state that the undersigned recently inspected the building and found a portion occupied by Mr Pereira, the Excise Supervisor, and the other portion is being used for the Police School. The materials of the building will have to be disposed of in auction sales, if the building be abandoned and a new one ordered to be constructed in its place. The site is no doubt, a good one.

2. The Excise Supervisor who was present during inspection informed a

the

the undersigned that he required quarters and if the building be given to him for quarters he would be satisfied with it and that he would pay the rent, according to rules. The proposal of the Supervisor may be considered - The undersigned has no objection to it. In this case, a new building will be required for the Police Superintendent -

3. The date from which the Excise Supervisor has been permitted to occupy a portion of the building may be intimated.

No D. 23 dated 30th July 1901

To

The Deputy Commissioner

Kadur District

Sir

I beg to bring to your notice the very great difficulty which I have experienced in securing suitable quarters at Chickmagalur. As we are obliged to maintain ponies, there are but a limited number of houses in this Town which possess stabling and these are for the most part occupied, and if available the high rents demanded place them far beyond the limits of my pay. Under these circumstances I would most respectfully beg to request, you will kindly urge on Government the necessity of providing suitable quarters for the Excise Supervisor of this Range as is now being done both at Koppa and Mudigere, as the difficulties and disadvantages that we labour under in this Range, are practically as great as those of Mudigere and Koppa

I beg to remain,

Sir,

Your most obedient Servant,

(Sd) E. H. Pereira.

Chickmagalur Range.

To the

To the Excise Comm^r, for very favourable consideration - The want of accommodation in Chickmagalur for European and Eurasian officers is very greatly felt -

There are absolutely no horses available - I would most strongly recommend the construction of quarters for an Excise Supervisor here, of the same pattern as that under construction at Koppa -
